

NIGHT ANGEL® BLACK NITRILE EXAM GLOVES

Adenna Night Angel Black Nitrile Powder Free Exam Gloves simulate the fit and feel of latex gloves but are 100% rubber latex free. They are one of the top selling brands in the tattoo, piercing, body art, hair and beauty industries.

Their dark black color stands out and masks stains, inks and dyes during use and allows artist to focus on creating their art. They are also the preferred choice for law enforcement agencies, correctional facilities, homeland security and postal facilities.

The Night Angel gloves are made slightly thinner; hence, they are ultra-soft and super flexible to provide more dexterity and tactile-sensitivity.
